NURSERY & PRESCHOOL

Welcome to the family

Raising a child in a big city is a balancing act. Too many parents have to compromise between work and life, wellbeing and responsibilities, their child's development – and their own. We created N with the whole family in mind. Everything we do puts you and your child first.

N Brixton opened in February 2020 and we're thrilled to be at the heart of this neighbourhood. Discover a space to meet and relax, learn and grow with a nursery, parents' coffee & breakfast bar, a garden and a programme of events for the whole family.

The garden

Rethinking early years education.

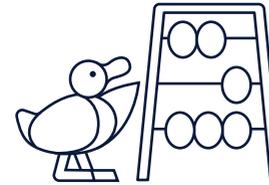

Our light-filled space is packed full of features like a specialist art studio, a dedicated messy play room, children's library and a huge garden complete with adventure playground, water play and vegetable patch. There is also a secure bike lock-up and a large, easy-to-access undercover buggy/scooter storage.

All nursery meals are cooked fresh on-site and have been designed with the help of Laura Matthews – formerly Head of Nutrition at Jamie Oliver. For parents, we have a dedicated front-of-house team and a self-service breakfast bar.

A unique learning experience

Working with leading experts, we've created a progressive learning programme unique to N, and entirely bespoke to each child. Designed to inspire and prepare children to thrive in our busy and ever-changing world, it includes subjects such as yoga, Spanish, cookery, science, art, and global citizenship.

Passionate about education

Development is fundamental to our team culture and we support our educators to pursue further early years studies through our N Academy training scheme. We believe this ensures the best learning environment for your children.

Outdoor learning & Forest School

Our imaginatively designed gardens provide the perfect backdrop for outdoor games, water play and planting. Regular Forest School-inspired sessions (where the children build dens, bug hotels and cook outside) and local community trips also form an important part of our core programme.

Parents' area

Nursery, for the whole family.

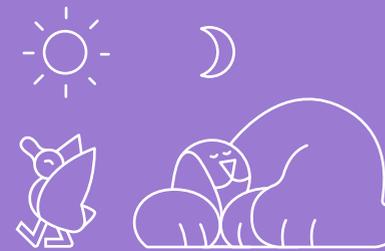

Choosing a nursery is a big decision. As well as being the foundation of your child's education, it's a new community of friends and – for many families – a new balancing act between work and parenting.

At N, we've designed a nursery experience with the whole family in mind, and a service that puts you first. We've also created a weekend Family Club programme that features expert-led talks, summer fitness classes, seasonal parties and our pick of the best parent-and-child classes out there.

A little helping hand

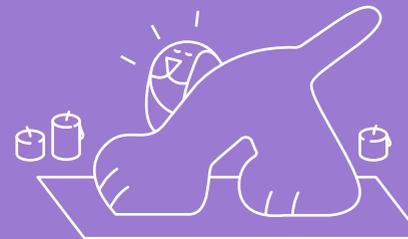

We offer a flexible pay-as-you-go hour at either end of the day (7-8am, 6-7pm), making it easier for you to balance drop-offs and pick-ups with a busy schedule. There's also a dedicated parents' area with free coffee and breakfast, magazines and WiFi.

Weekend Family Club

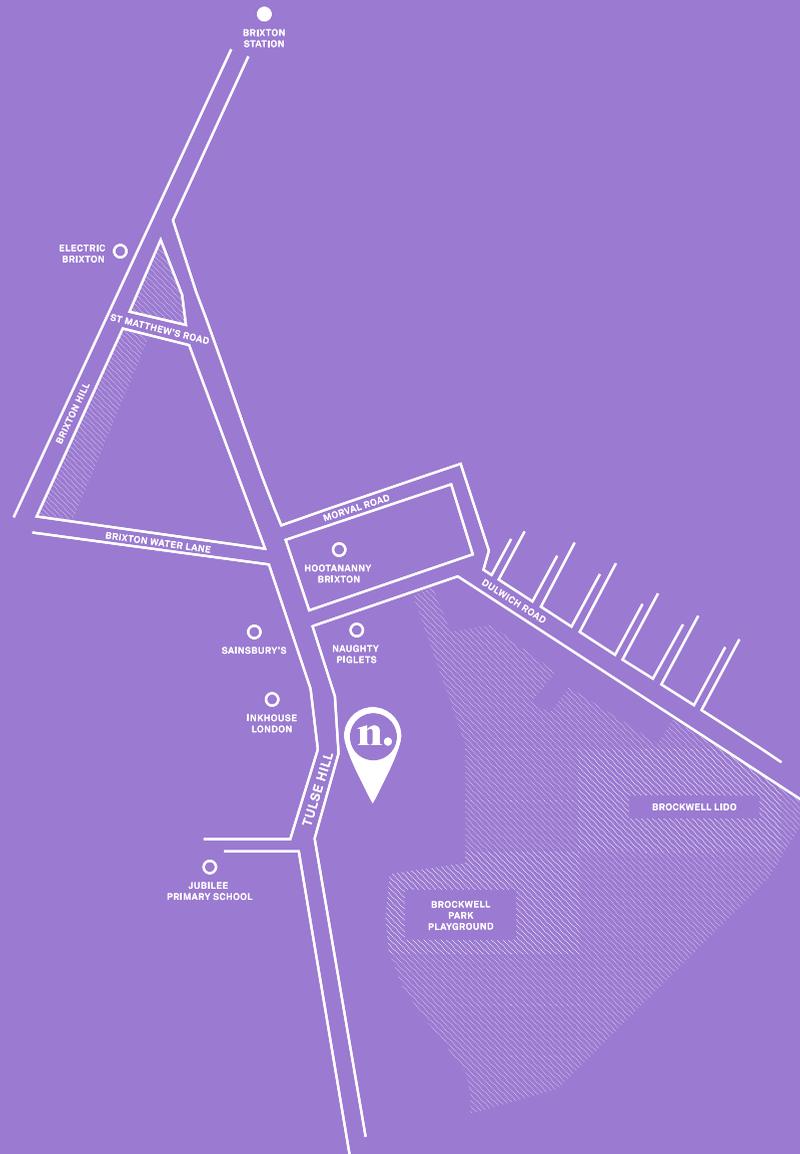

We love running events for our N families to spend quality time together: as well as art, music and baking classes, we host the best one-off events including book signings, puppet shows, sports days and animal workshops.

Parenting & wellbeing classes

We believe in building a community. As well as fitness classes in the summer, we host evening parenting workshops and regular social events for our families to meet up and get to know each other.
