NURSERY & PRESCHOOL

Welcome to the family

Raising a child in a big city is a balancing act. Too many parents have to compromise between work and life, wellbeing and responsibilities, their child's development – and their own. We created N with the whole family in mind. Everything we do puts you and your child first.

We are beyond excited to introduce you to N Stoke Newington, a nursery with two purpose-built sites: N Church Street and N Defoe Road, located a mere skip from each other. Together these buildings mark a major milestone in our journey to create a nursery experience like no other.

Both spaces are dedicated to our N families, as a place to meet and relax, learn and grow, with a combined nursery, parents' area, rooftop garden and a programme of events for all the family. N Church Street will be purpose built for babies and toddlers, while N Defoe Road will be committed to serving our older children.

Nursery room

Rethinking early years education.

N Stoke Newington has been rethinking the nursery experience for families since 2017. N Defoe Road, which was recently rated Outstanding by Ofsted, is a converted church hall with four beautifully designed modern classrooms. Across the road, N Church Street is a brand new, impressive space, packed full of features like a rooftop garden, designed specifically for under 3s.

All nursery meals are cooked fresh on-site and have been designed with the help of Laura Matthews – formerly Head of Nutrition at Jamie Oliver. For parents, we have a reception and parents' area with a dedicated front-of-house team.

A unique learning experience

Working with leading experts, we've created a progressive learning programme unique to N, and entirely bespoke to each child. Designed to inspire and prepare children to thrive in our busy and ever-changing world, it includes subjects such as yoga, Spanish, cookery, science, art, and global citizenship.

Passionate about education

Development is fundamental to our team culture and we support our educators to pursue further early years studies through our N Academy training scheme. We believe this ensures the best learning environment for your children.

Outdoor learning & Forest School

Our Church Street rooftop garden comes complete with a water play area, a gardening zone, climbing frame and plenty of space for outdoor games. As well as our Defoe Road garden, our over 3s are able to enjoy daily Forest School sessions at nearby Abney Park, where children build dens, bug hotels and cook outside.

Nursery room

Nursery, for the whole family.

Choosing a nursery is a big decision. As well as being the foundation of your child's education, it's a new community of friends and – for many families – a new balancing act between work and parenting.

At N, we've designed a nursery experience with the whole family in mind, and a service that puts you first. We've also created a weekend Family Club programme that features expert-led talks, summer fitness classes, seasonal parties and our pick of the best parent-and-child classes out there.

Interested in joining us? Get in touch on our website or call us on 020 3865 7402.

A little helping hand

We offer a flexible pay-as-you-go hour at either end of the day (7-8am, 6-7pm), making it easier for you to balance drop-offs and pick-ups with a busy schedule. There's also a dedicated parents' area with free coffee and breakfast, magazines and WiFi.

Weekend Family Club

We love running events for our N families to spend quality time together: as well as art, music and baking classes, we host the best one-off events including book signings, puppet shows, sports days and animal workshops.

Parenting & wellbeing classes

We believe in building a community. As well as fitness classes in the summer, we host evening parenting workshops and regular social events for our families to meet up and get to know each other.
