NURSERY & PRESCHOOL

Welcome to the family

Raising a child in a big city is a balancing act. Too many parents have to compromise between work and life, wellbeing and responsibilities, their child's development – and their own. We created N with the whole family in mind. Everything we do puts you and your child first.

We're on course to open an N Family Club right here in Stratford, nestled between the East Village and the Olympic Park, and we couldn't be more excited. Discover a space to meet and relax, learn and grow, with a nursery, dedicated parents' coffee and breakfast bar, a large garden and a programme of events for the whole family.

Nursery room

Rethinking early years education.

We're committed to offering you a nursery experience like no other; and with N Stratford, we've gone all-out. Our purpose-built modern space is designed around a large circular courtyard and is filled with natural light and clean air (thanks to our hi-spec air filtration system). There's a dedicated art studio and state-of-the-art mini kitchen, while outside features include an adventure playground, vegetable patch, bike track and secure undercover buggy store.

All nursery meals are cooked fresh on-site and have been designed with the help of Laura Matthews – formerly Head of Nutrition at Jamie Oliver. For parents, we have a dedicated front-of-house team and a breakfast bar.

A unique learning experience

Working with leading experts, we've created a progressive learning programme unique to N, and entirely bespoke to each child. Designed to inspire and prepare children to thrive in our busy and ever-changing world, our curriculum includes yoga, Spanish, cookery, science, art and global citizenship.

Passionate about education

Development is fundamental to our team culture and we support our educators to pursue further early years studies through our N Academy training scheme. We believe this ensures the best learning environment for your children.

Outdoor learning & Forest School

Our imaginatively designed gardens provide the perfect backdrop for outdoor games, water play and planting. Regular Forest School-inspired sessions (where the children build dens, bug hotels and cook outside) and local community trips also form an important part of our core programme.

Nursery room

Nursery, for the whole family.

Choosing a nursery is a big decision. As well as being the foundation of your child's education, it's a new community of friends and – for many families – a new balancing act between work and parenting.

At N, we've designed a nursery experience with the whole family in mind, and a service that puts you first. We've also created a weekend Family Club programme that features expert-led talks, summer fitness classes, seasonal parties and our pick of the best parent-and-child classes.

Interested in joining us? Get in touch on our website or call us on 020 3865 7402.

Parents' area

A little helping hand

We offer a flexible pay-as-you-go hour at either end of the day (7-8am, 6-7pm), making it easier for you to balance drop-offs and pick-ups with a busy schedule. There's also a dedicated parents' area with free coffee and breakfast, magazines and WiFi.

Weekend Family Club

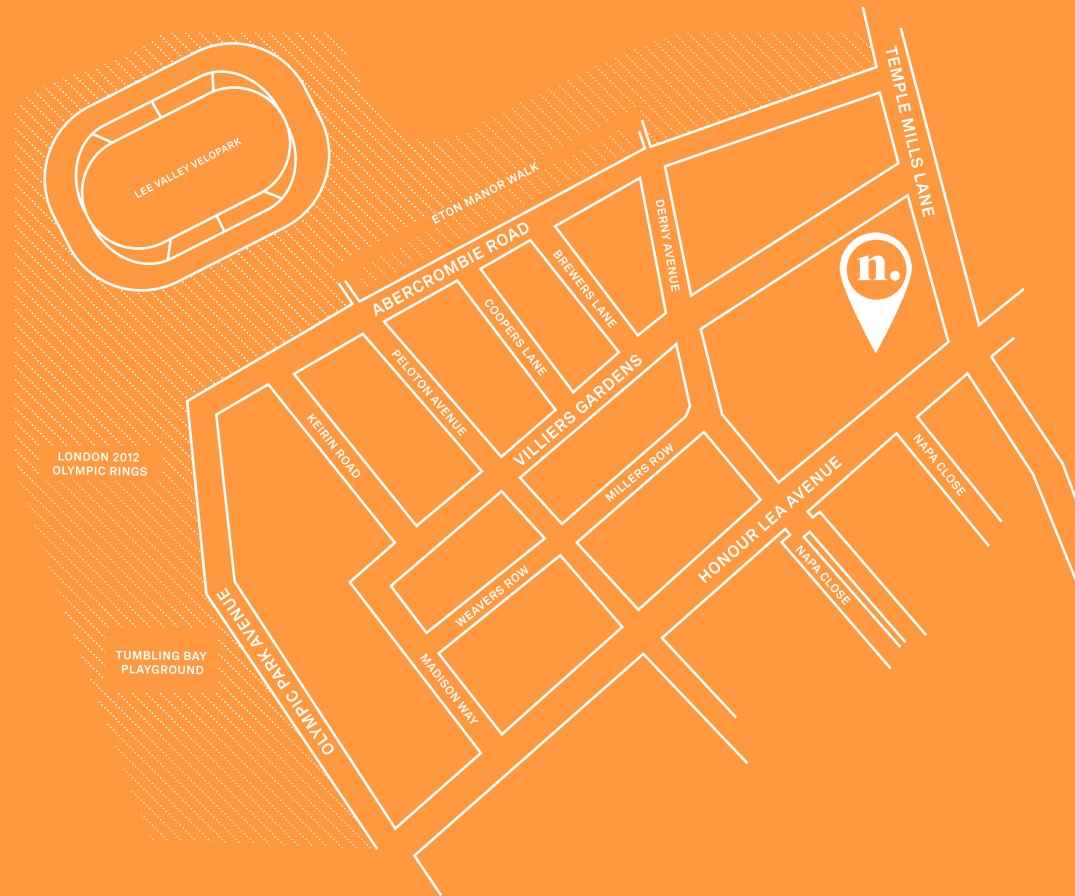

We love running events for our N families to spend quality time together: as well as art, music and baking classes, we host the best one-off events including book signings, puppet shows, sports days and animal workshops.

Parenting & wellbeing classes

We believe in building a community. We host regular parenting classes and social events for our families to meet and get to know each other. We've also developed an outdoor weekend fitness programme that runs throughout the summer – with childcare, needless to say, part of the package.
